Dear Mr. Retzer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 22 (pertinent portion(s) attached) discloses \$17,568.07 in transfers to RNSEC Limited Corporate, which appears to be a non-federal account. You are advised that 11 CFR §102.5 prohibits a non-federal account from financing activity in connection with federal elections. Please provide clarifying information regarding these transactions including the date(s) when the original activity was conducted by the non-federal account. In addition, if any of the disbursements disclosed were made to influence the election or defeat of specific federal candidates, the disbursements should be allocated accordingly and disclosed as either in-kind contributions on Schedule B supporting Line 23, independent expenditures on Schedule E supporting Line 24, or as coordinated expenditures on Schedule F supporting Line 25. 11 CFR §§104.3(b)(3) and 106.1

Although the Commission may initiate legal action regarding the activities conducted by your non-federal account, any clarifying information that you can provide will be taken into consideration.

-Schedule H4 discloses disbursements for E, G, K, M, P, S, and T which are categorized as Fundraising; however, Schedule H2 does not include the allocation ratios for this activity. Please amend Schedule H2 to disclose the omitted ratios.
